SET YOUR FAITH ON FIRE

Throughout the year
parishioners will
respond to the
question "What does
setting your faith on
fire" mean to you?

Or who helps to set your faith on fire?

+ *The person who helped to set my faith
on fire was Sister Bridget Haase.*

+ *Both for me and my wife it means that
we "actively" try to spread God's love to
other people.*

+ *For me it means that I must find ways
to deepen my own faith each and every
day. Then maybe I can share that faith
with others by the way I live.*

THE RIGHTFUL USE OF POWER

Four major themes are implied in
Jesus' teaching on the right use of power.
They are:

- Walk the walk. Don't just talk the
talk. Central to this teaching is the
connection that must exist between word
and deed. We are what we do, not what
we say.

- Your use of power is always directed
to love toward others. The law of love
involves not preaching or teaching so
much as doing. Action is what makes the
difference.

- Piety is an internal affair of the heart,
not about impressing people or looking
for ways to be honored.

- We are ALL called
to a life of holiness. The
call from Jesus to live a
new kind of life extends
to everyone.

*National Vocation
Awareness Week
November 5-11*

Did you know that in our country, compared to 50 years ago, there are 20,000 fewer priests and 130,000 fewer religious sisters? At the same time, the Catholic population has continued to grow steadily. Many factors have contributed to the decline: growing secularism, a lengthened period of adolescence, attitudes about celibacy, etc.

During Vocation Awareness Week, please pray that young people in today's society will hear and respond to God's call. And do your part to encourage them to consider the priesthood and religious life.

**PRIESTS, BROTHERS, NUNS.
THEY NEED US.
WE NEED THEM.**
